SAINTDIRECTOR

REENGINEERING A SUPERIOR EXPERIENCE FOR
ADMINISTRATORS AND STUDENTS.

SAINT (Student Aid Internet Technologies) **Director** and **Student** were developed to be your start-to-finish financial aid processing and management solution. With a secure, online, school-branded student portal that allows applications and supporting documents to feed directly into the administrator-facing **SAINT Director** system, **SAINT** software significantly streamlines workflow for your financial aid team, while providing students and parents with an improved experience that is easy to navigate and available 24/7.

SAINT Director quickly packages your students, identifies required documents and has built in scanning capabilities for non-electronic documentation. The entire package is submitted to Global for compliance review, real-time processing and calculation of Title IV funding.
